## Camoose Collection

With a distinct pattern and color combination, camo has become a mainstay in the fashion world. Juddlies Designs combined this classic pattern with a bit of Canadiana and the “Camoose” print was born... Look closely and you should find five different Juddlies animals in the design (moose, unicorn, rabbit, elephant, and bear!). This inspiration for our first print adventure is launched on super soft bamboo sleepers and jumpsuits for a naturally breathable, luxuriously soft touch both parents and babies deserve.

Take the Bum & Wash cloths, roll them up and stuff them into the bag they came in, and throw the whole thing in your diaper bag.

*The more you wash them the softer they get*

Our Bamboo hooded towel brings all the softness you want next to your baby's skin. This towel is the perfect size to wrap up your little one after a bath, the pool, lake, or ocean.

Our Bamboo bum cloths are the perfect environmentally friendly solution to avoid using dozens of wet wipes.

## Raglan Collection

The Raglan Collection is a sporty and exciting line in the Juddlies family. Our nightgown makes those first few weeks of diaper changes, just a little easier. Babies are curled up when initially born and those little legs just don't seem to want to straighten out. Hand turnovers on the playsuit and nightgown keep those little hands warm and stop babies from scratching themselves. Made with our premium organic cotton fabric, this is a new baby must have.
